الف

پیشگفتار

مرکز مدارک علمی در اجرای یکی از هدفهای عمده خود که ایجاد ارتباط میان سایر مراکز اسناد و کتابخانهها است، پیوسته نسبت به تدوین و انتشار فهرستهای مشترک بعنوان یکی از عمدهترین وسائل نیل به این هدف اهتمام ورزیده است. بر این اساس در سال ۱۳۵۰ فهرست مشترکی از نشریات ادواری علوم و علوم اجتماعی را در ۲ جلد منتشر نمود. در فهرستهای مذکور نشریات ادواری فارسی نیز با الفبای لاتین ذکر شده بود ولی در ویرایش نازده تصمیم گرفته شد که نشریات ادواری فارسی و غیر فارسی هر کدام در یک مجلد جداگانه گردآوری گردد.

جلد اول این فهرست شامل نشریات فارسی در تیر ماه ۱۳۵۶ منتشر گردید و جلد دوم آن شامل نشریات غیر فارسی بشکل حاضر ارائه میگردد.

از آنجا که این فهرستها عموماً وسیله کتابخانهها و سایر مراکز اطلاع رسانی و بمنظور دست یافتن به اصل مقالات بکار میروند، و این منظور با استفاده از امکانات قرارداد امانت بین کتابخانهها تامین میگردد، بنابراین به کتابخانه هائیکه مایل به بهره گیری از این امکانات هستند توصیه می شود که با تماس با کتابخانه مرکز مدارک علمی در مورد شیوه امانت بین کتابخانهها اطلاعات لازم را کسب نمایند.

مرکز مدارک علمی از همکاری صمیمانه کتابداران کتابخانه های شرکت کننده در این طرح تشکر می نماید. امید است کتابخانه هائی که نتوانستند در تاریخ مورد نظر فهرست نشریات ادواری خود را در اختیار مرکز مدارک علمی بگذارند، در ویرایش بعدی بتوانند همکاری مؤثری داشته باشند، تا فهرست آتی، کاملتر و صحیح تر از ویرایش فعلی باشد.

در پایان، مرکز مدارک علمی لازم میدانند از تلاش صادقانه آقای علی تمیزی که گردآوری و تنظیم این فهرست به همت ایشان صورت گرفته، سپاسگزاری نماید.

مرکز مدارک علمی

مقدمه

نشریه حاضر فهرستی است از نشریه‌های ادواری (از قبیل مجله، بولتن، گزارشهای ادواری) غیر فارسی موجود در تعدادی از کتابخانه‌های ایران که در سه قسمت تنظیم گردیده و بشکل حاضر ارائه میگردد. قسمت اول حروف A-D، قسمت دوم حروف E-M و قسمت سوم حروف N-Z می باشد. هدفهای عمده فهرست بشرح زیر خلاصه می شوند:

- ۱- تسهیل دستیابی پژوهندگان به نشریه‌ها
- ۲- تسهیل کار امانت بین کتابخانه‌ها
- ۳- کمک به جلوگیری از خرید مجدد بعضی از نشریه‌ها در کتابخانه‌های نزدیک بیکدیگر

دامنه کار

اطلاعات موجود در این فهرست شامل ۷۰۱۰ عنوان نشریه ادواری غیر فارسی بااستثنای روزنامه‌ها، موجود در ۸۳ کتابخانه و مرکز اسناد در تهران و شهرستانهاست که از طریق مراجعه شخصی و همچنین براساس فهرستهای رسیده از سوی کتابخانه‌ها و مراکز اسناد تنظیم گردیده است. لازم به یادآوری است که آندسته از کتابخانه‌هاییکه در چاپ اول این فهرست شرکت نموده ولی در ویرایش دوم نتوانستند در تاریخ مورد نظر فهرست نشریات خود را در اختیار مرکز بگذارند موجودی نشریات آنها عینا مطابق با اطلاعات مندرج در چاپ اول این فهرست آورده شده است.

شیوه ارائه مطالب

اطلاعات گردآوری شده درباره هر یک از نشریات ادواری غیر فارسی در این فهرست مطابق نمونه زیر عرضه شده است:

- 1 61
 2 REVIEW OF SURGERY
 3 Philadelphia, Pa., U. S. A. EN 4
 5 SNH 6 (1962)1967-
 SUM (1962)1963-
 TIRC (1966)1974-

۱- موضوع نشریه

برای تعیین موضوع نشریه از جدول نظام رده بندی دهدهی جهانی (۱) استفاده شده است .
 برای هر موضوع حداکثر دو شماره اول این نظام در نظر گرفته شده (رجوع شود به صفحه ذ) .
 برای آن دسته از نشریات که دو یا سه موضوع کلی داشته اند به تعداد موضوعات شماره داده شده و
 این شماره ها با ویرگول از یکدیگر مشخص گردیده است .

۲- عنوان نشریه

نشریات بر حسب عنوان و به ترتیب حروف الفباء در این فهرست آمده است . در تنظیم عنوان
 تا حدودی از شیوه مرسوم در دو کتاب

1-Ulrich's International Periodical Directory

2-New Serial Titles

استفاده شده است، بدینسان اگر نام نشریه ای ترکیبی از نام سازمان و کلمات عام مانند:
 Proceeding , Transaction , Bulletin , Journal.

و غیره باشد کلمات عام از ابتدای نام مؤسسه حذف و به پایان آن افزوده شده است . مثال:
 American Mathematical Society. Bulletin.

در صورتیکه کلمات عام بخشی از عنوان باشد از تغییر آن خود داری شده است مثال:
 Journal of Pharmacy and Pharmacology

چنانچه نشریه ای تغییر عنوان داشته باشد، تا قبل از شروع عنوان جدید زیر عنوان
 قدیم، و بلافاصله از تاریخ شروع عنوان جدید زیر عنوان جدید ذکر شده است و ارجاع لازم نیز
 داده شده است. ضمناً چنانچه عنوان قدیم در کتابخانه موجود، لیکن عنوان جدید موجود نباشد،
 از عنوان قدیم به عنوان جدید نشریه ارجاع داده شده است.

1. Universal Decimal Classification abridged English
 edition, 1961

در مورد مجلات آلمانی در مواردی که اوملات (۱) بکار رفته مثل "ä" یا "ü" بجای دو نقطه در بالا، حرف "e" اضافه شده و بصورت ae یا uel نوشته شده است.

چنانچه دو عنوان مشابه داشته باشیم برای مشخص کردن آنها در ادامه عنوان در داخل پرانتز اسم کشور نیز آورده شده است.

حرف تعریف در اول عنوان خوانده نشده و کلمات اختصاری قبل از کلمات کامل و در اول هر قسمت از حروف قرار گرفته است.

۳- محل انتشار

برای کشورهای آمریکا و استرالیا و کانادا ابتدا نام شهر بعد ایالت و بعد کشور آمده است مثلاً Chicago, Ill., U.S.A. در مورد سایر کشورها نام شهر و کشور ذکر شده است.

۴- زبان

زبان نشریه با علامت اختصاری ذکر شده است مثلاً EN برای زبان انگلیسی. برای اطلاع از علائم اختصاری زبانها به جدول صفحه د رجوع شود. چنانچه نشریه‌ای به‌زبانی باشد که در جدول زبانها نیامده باشد از علامت اختصاری OL که نشانه Other Language است استفاده شده است.

۵- نام کتابخانه

بمنظور تسریع کار و جلوگیری از تکرار نام کتابخانه‌ها برای هر کتابخانه علامت اختصاری در نظر گرفته شده است. مثلاً علامت اختصاری SUM مربوط به دانشگاه پهلوی، دانشکده پزشکی است. برای اطلاع بیشتر از علائم اختصاری کتابخانه‌ها به جدول علائم اختصاری که الفبائی تنظیم شده است مراجعه شود.

Language Code	viii
Subject Classification	ix
List of Serials	1

Introduction

This publication covers foreign language serials in libraries and documentation centers in Iran. It has been compiled to be useful for:

- Giving researchers easy access to the serials.
- Locating the nearest center for borrowing or reproducing desired materials.
- Selecting serials and preventing the purchase of duplicate copies of expensive serials.

In total, 7010 foreign language serials are listed in 83 libraries and documentation centers. It is published in three parts. Part 1 contains the letters A-D, part 2 contains the letters E-M and part 3 contains the letters N-Z. The information contained in this publication has been sent directly by the libraries concerned, or we have sent data collectors to collect them. Those libraries which were not able to send their list in due time, their holdings are listed directly from the previous edition which was published in 1972.

The following information are given for each entry

- | | | | |
|---|-----------------------------|----|-------------|
| 1 | 61 | | |
| 2 | REVIEW OF SURGERY | | |
| 3 | Philadelphia, Pa., U. S. A. | EN | 4 |
| 5 | SNH | 6 | (1962)1967- |
| | SUM | | (1962)1963- |
| | TIRC | | (1966)1974- |

1- Subject

At least one UDC⁽¹⁾ Number has been assigned for the subject classification. For the serials which have two or more general subjects, extra numbers has been assigned and separated by virgule. See Subject Classification page ix.

2- Title

Titles are shown in alphabetical order (word by word), the same way as Ulrich's International periodical Directory and New Serial Titles, so if the title consists of the generic name followed by the organization, it is entered under the name of the organization, For example:

American Mathematical Society. Bulletin

Or if it is part of the title, it is written exactly, For example:

Journal of Pharmacy and Pharmacology.

If there is a change in title, cross references are given from the old title to the new one, even though the library keeps only one of the titles.

For the German titles the letters ũ, ð, and ð has been changed to the letters ue, ae, and oe accordingly. For example:

" Für " has been changed to " Fuer ".

If there is a similarity in the serials title, place of publication indicates the difference.

Articles have been excluded from the beginning of the title but they

(1) Universal Decimal Classification abridged English edition, 1961.

are alphabetized if they are used.

Initials are placed at the beginning of each letter.

3- Place of Publication

Place of publication is indicated by the name of the city followed by the country name. For countries like United States, Australia and Canada the name of the States are also included.

4- Language

Language is shown by codes. For instance, " EN " for English. The codes for each language are given on the page viii.

5- Name of the library

Each library is given a separate code. For instance, " SUM " is for Pahlavi University, Faculty of Medicine in Shiraz. Codes are given in alphabetical order. Further information about library codes can be seen on page iv.

6- Library Holdings

Library holdings of the foreign language serials are shown up to the end of 1974. They are listed according to the years found in the library. The complete years are placed inside parentheses. A dash after the year shows that the serials is currently being received.

Some libraries keep their serials for a certain time and then discard them. A special code is used for the holding of such libraries as following:

1/ yr: The libraries that hold their serials for the current year only.

2/ yr: The libraries that hold their serials for two years only.

LI: The libraries that hold the last issue of the serial.
